

Fire prevention roving exhibition held at Tsing Yi (with photo)

Fire Services personnel and district Fire Safety Ambassadors today (January 20) held a fire prevention roving exhibition at Tsing King Road (near Maritime Square), Tsing Yi, New Territories. The publicity activities were part of the department's continued efforts to enhance the fire safety awareness of members of the public and promote the Fire Services Department Mobile Application.

Fire safety leaflets and advisory letters were distributed to the public and operators of the commercial premises to remind them to take extra fire safety precautions during the festive season. The Fire Safety Education Bus was also parked at Tsing King Road for visits by the public.

Ends/Wednesday, January 20, 2016
