To: Licensees of DG Stores

Dear Sir/Madam,

Compliance with Licence Conditions of Dangerous Goods Stores

As the licensee of a dangerous goods store, you are required to strictly comply with all licence conditions as stipulated on the relevant licence at all times. To avoid contravention of the Dangerous Goods Ordinance or prevent fires or serious accidents arising from improper storage of dangerous goods, you are reminded to observe all these licence conditions, which include, among others, the category(ies) of dangerous goods approved, the licensed quantities, restrictions on mixed storage, maintenance and annual inspections of fire service installations and equipment, etc.

To ensure the fire safety standards of all licensed dangerous good stores, officers of this Department will carry out surprise inspections to verify all-time compliance with licence conditions. Pursuant to section 9(2) of the Dangerous Goods Ordinance, Chapter 295, breach of any licence conditions is an offence liable to maximum fine of \$10,000 and imprisonment for one month, and may result in the cancellation of the licence.

Contravention of any dangerous goods regulations may void any insurance policy you have with insurance company.

Should you have further questions, please do not hesitate to contact the Dangerous Goods Division of the Licensing and Certification Command of this Department during **office hour** at **2417 5757**. For enquires **outside office hours** and reporting hazards concerning dangerous goods, please contact Fire Services Communication Centre on the **24-hour telephone hotline 2723 8787**.
