

**Summary of Notes of Dangerous Goods Standing Committee Meeting
held on 27 June 2013**

Matters of Discussion

1. Review of Dangerous Goods Ordinance (DGO) / Regulations

Progress of the review:

➤ Dangerous Goods (General) Regulation

Regarding the current draft of the latest version of the redrafted DG(G)R, CEDD's comments had been forwarded to the Law Drafting Officer (LDO). Response from LDO was being awaited.

➤ Dangerous Goods (Packing, Marking and Labelling) Regulation

The LDO was preparing the 10th working draft.

➤ Dangerous Goods (Shipping) Regulation

An additional clause indicating that LPG cylinder on board locally licensed vessels under Marine Department's purview would be put up as a consequential amendment in the course of DGO review.
