The primary roles of the FSD are to fight fires, to carry out rescue operations on land and at sea, to advise the public on fire protection and to provide emergency ambulance service for the sick and the injured. The department is under the overall direction of the Director of Fire Services. It is comprised of four operational commands, two fire protection commands, the Ambulance Command, the Corporate Strategy Command, the Operational Support and Professional Development Command and the Administration Branch.

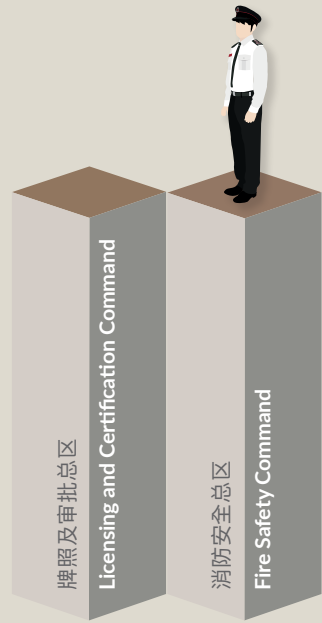

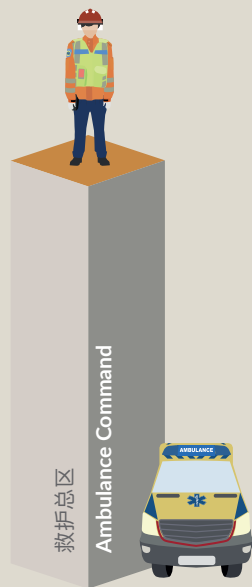

■ 四个行动总区分别为港岛(包括海务及潜水区)、九龙(包括呼吸器组)、新界北和新界南(包括机场消防队)总区，各由一名助理处长掌管，负责管辖其范围内的灭火、救援及其他紧急服务。

The four **operational commands** cover Hong Kong Island (including the Marine and Diving Division), Kowloon (including the Breathing Apparatus Unit), New Territories North and New Territories South (including the Airport Fire Contingent), each headed by an Assistant Director overseeing the firefighting, rescue and other emergency services within its purview.

■ 行动支援及专业发展总区于二零二二年设立，由一名副消防总长掌管，负责部门的行动支援工作，以及消防通讯中心和消防及救护学院的运作。该总区开办专科训练、提供特勤支援、组织大型演练，亦监督有关招聘、训练和考试，以及工程和运输的事宜。

The **Operational Support and Professional Development Command** led by a Deputy Chief Fire Officer was newly established in 2022. It is responsible for the operational support of the department and the operations of the Fire Services Communications Centre and the Fire and Ambulance Services Academy. It conducts specialised training, provides tactical support and organises large scale drills and exercises.
