**Product Testing** mainly focuses on the testing of product samples to a prescribed standard and whether the testing was carried out at testing laboratory.

---

**Test Certificate / Report acceptable to the HKFSD**

- **Product Test Standard**: Does the product testing standard conform to FSDCOP and Circular Letters?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- The product was tested against International Standard / National Standard?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Certificate/ Report issued by testing laboratory accredited by the HKAS?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Certificate/ Report issued by testing laboratory accredited by overseas accreditation body under MRA?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- The testing laboratory is accredited to carry out the test for the product testing standard?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Report in Chinese / English?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Translation of certificate/ report certified correct by testing laboratory?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Full test report with cover page, test record, positive test result?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- Report issued within 10 years?
  - Yes: Proceed to next step.
  - No: Certificate/ Report not acceptable.

- An original test report / its copy certified by respective testing laboratory?
  - No: Certificate/ Report not acceptable.
