

## **Brief Notes of Liaison Meeting between FSD and Authorized Persons**

**Date** : 30 August 2017 (Wednesday)  
**Time** : 1500 hours  
**Venue** : Conference Room, Fire Safety Command, FSD

### **Matters Discussed in the Meeting :**

#### **1. Registered Fire Engineer (RFE) Scheme**

FSD was in the course of compiling a consultation document to solicit public's views on the RFE Scheme. Issues to be consulted would include, among others, (i) required qualification and experience of an RFE and (ii) the composition of various boards under the RFE Scheme.

#### **2. Improvement Measures for Processing General Building Plans**

Sharing workshops/seminars would be arranged for facilitating the trade to prepare the general building plan submissions with better quality, in particular for projects involving dangerous goods store or fuel tank room. Representatives from HKIA in the meeting had already been consulted for suitable timing and venue for the workshop/seminar. Members would be informed once the details of the workshop/seminar were confirmed.

The Chairman reminded that smooth handling in processing general building plans and related acceptance inspections would require collaboration among different parties. APs were advised to bring their members' attention to be familiar with the current practice and the existing standards as stipulated in the issued circular letters/notices.
