

Record of Target Mini-Storage Premises (MSP) without common fire hazards

(Updated on 31.8.2024)

Disclaimers:

- 1 Providing this record is intended to enhance transparency of the enforcement action taken by the Fire Services Department in relation to the related abatement measures to the common "potential fire hazards in mini-storage premises" (common fire hazards).
- 2 The information contained in this record is based on the inspection result by the Fire Services Department on the inspection date only.
- 3 The records only show the Target mini-storage premises which have conformed to the related abatement measures to the common fire hazards imposed by the Fire Services Department only. This does not mean that such mini-storage premises have also complied with other statutory requirements or any requirements imposed by other departments.
- 4 While the Fire Services Department aims to keep the content of this record accurate and updated as far as possible, we make no warranties or representations regarding the quality or completeness of information in the record. The Fire Services Department shall not be liable for any liabilities, legal actions, judicial proceedings, costs, claims, demands and expenses for any loss or damage whatsoever arising out of or in connection with any information in this record, save and to the extent any injury or death is caused by the negligence of the Government or any of its employees in the course of employment.
- 5 By accessing this record, you have unconditionally agreed to the terms of this Disclaimer and that the terms may be modified and/or supplemented from time to time by the Fire Services Department without prior notice. Please check this record regularly for any modifications and/or supplements which may be made.
- 6 Should any operators wish to have the address of their mini-storage premises, which have conformed to the related abatement measures to the common fire hazards imposed by the Fire Services Department, be displayed on the record or wish to update their information provided herein, please contact Building Improvement Division 3 of the Fire Services Department at 2170 0527.
